

# Be on the lookout for important information

---

As a member of the Kentucky Employees' Health Plan (KEHP), you will receive a new Internal Revenue Service (IRS) form, form 1095-B. KEHP expects to send out the form to you by early February. Form 1095-B contains your health insurance coverage information for 2015, and will serve as proof that you had insurance coverage as required by the Affordable Care Act. Please keep this form. You may need it to complete your 2015 tax return.

For more information about health insurance coverage reporting requirements or form 1095-B, click [here](#).
